

During these uncertain times, please be aware of scammers trying to take advantage of you!

On March 27, 2020, we were made aware of a lottery scam.

Individuals are receiving phone calls from unknown phone numbers (1-876-396-9323 and 1-480-336-8337) stating that they won \$18.5 million dollars. The catch to their winnings is that they need to purchase a Money Order for \$1300.00 and send it through Western Union to “Diana Rogers Herndon” in Corpus Christi, Texas before they can receive their winnings. This name is commonly used with fraud scams and is not a real person. If you send out the Money Order to “Diana”, you will not receive your lottery winnings and the \$1300.00 will be lost.

If you receive a phone call like this, please be aware that it is a scam and do not send any money out!

If you have any questions about fraud or if you think you are being scammed, please contact us immediately!
